

Alternate Shift Leader

This role is open to those with prior experience as a Campus Kitchen Shift Leader.

What they do: Shift Leaders sometimes have competing obligations, illness, or could need a temporary substitute, and sometimes no active Shift Leader is available to switch with them. Alternate Shift Leaders are on-call to jump into Shift Leader vacancies that fit their schedule.

You may serve as an Alternate Shift Leader at shifts for which you have received training. There is no minimum or maximum number of shifts that must be completed per semester as an Alternate Shift Leader.

Who they are: Alternate Shift Leaders are former active Shift Leaders looking for a way to stay involved with Campus Kitchen, but can't quite commit to a weekly shift. For team shifts, they are willing to defer to the leadership of active Shift Leaders when appropriate.

Performance Expectations:

1. Follow shift Standard Operating Procedures (SOPs)
 - a. Complete a 30 minute to 1 hour online pre-training prior to the beginning of the semester
2. Follow Campus Kitchen Shift Leader Handbook policies
